MOTILAL NEHRU NATIONAL INSTITUTE OF TECHNOLOGY ALLAHABAD

GAURAV KUMAR

+917762029894 l gauravk26800@gmail.com

EDUCATION :

BACHELOR of TECHNOLOGY l

Electroincs & Communications

MNNIT Allahabad, Prayagraj

2018 - 2022

CPI: 7.25 (Upto 5th semester)

XIIth l SCIENCE (CBSE)

JNV Sonbhadra, U. P.

2017 - 2018

Percentage: 92.8%

X^{th} l (CBSE)

JNV Sonbhadra, U. P.

2015 - 2016

Percentage: 91.2%

SKILLS :

– Machine Learning

– Deep Learning

– Data Structure & Algorithms

– Python3, NumPy, OpenCV

– C, C++

– HTML, CSS, JavaScript

– NodeJS, ExpressJS

– DBMS, MongoDB

– Linux (UBUNTU)

CONNECT WITH ME :

LinkedIn: @gauravk268

Github: @gauravk268

Portfolio: gauravk268.github.io

HackerEarth: @gaurav_k268

HackerRank: @gaurav_k268

AREAs of INTEREST :

- DATA STRUCTURE & ALGORITHMS
- WEB DEVELOPMENT

PROJECTS :

- **PORTFOLIO WEBSITE (gauravk268.github.io)**

  A website to show all my details along with Projects. Made with HTML, CSS, Bootstrap and Javascript, currently being hosted in Github. It is responsive for comfortable view in Desktop as well as Mobile Devices.

- **IDENTIFY THE DANCE FORM**

  Designed a CNN model that identifies the dance form of the person in the image and classifies them into various categories of Indian classical Dance Forms.

- **SENTIMENT ANALYSIS on MOTHER's DAY TWEET**

  Designed a NLP classifier using SGD Classifier that analyses the sentiments of a tweet posted during Mother's Day and classifies them into positive, negative and neutral.

ACHIEVEMENTS :

- Participated in the e-Yantra competition 2019-20 (IIT Bombay).
- Runner Up in Embedded System Design Event of Avishkar-2019 (MNNIT Allahabad).
- Participated in the IARC challenge in Techkriti 2019 (IIT Kanpur).
- Got selected for JNV, by securing rank in Top-40 in the district, in JNVST-2011 Exam.

RELEVANT COURSES & CERTIFICATES :

- MACHINE LEARNING of Stanford University, Andrew Ng (Coursera)
- DEEP LEARNING SPECIALIZATION (5 Courses) of deeplearning.ai (Coursera)

HOBBIES :

- Reading Books
- Photography
- Surfing/Writing on Quora
